## Grab a Bite!

**Surfside Café:** When a big appetite attack hits, head for Surfside Café. The menu includes burgers, chicken sandwiches, flatbread sandwiches, foot-long hot dogs, chicken strips and fresh salads, along with ice-cold beverages and beer. Then top it all off with a fun treat. This café dishes out soft serve ice cream in waffle cones, crispy sweet funnel cakes and much more.

**Mango Joe's Café:** Fill up on all-American favorites like pizza – by the slice or a whole pie to feed the family – chicken strips, flatbreads, Italian classic sandwiches, fresh salads and veggie wraps. Top it all off with one of our fresh made desserts.

For the best grab-and-go options, check out **Duval Street Market** or **Kurrents**. You'll find a cool selection of Icee® Mix-It-Up frozen drinks, ice-cold beer and novelty ice cream items, as well as turkey legs and other snacks.

**Captain Pete's Island Eats** is the perfect place to take a break from the waves. Grab a churro, jumbo pretzel or soft serve sundae. Or visit **Gulf Scream Snacks** for turkey legs, Dippin' Dots®, hand-dipped ice cream cones and soft drinks.
